

TU Hillel is Booming! Will You Help Us Continue to Grow?

Towson University is growing exponentially—and so is the number of Jewish students attending and living in the Towson area which has increased 5% over the last three years.

TU Hillel has met its goals of inspiring, leading, cultivating, renewing, and engaging hundreds of students**. This past Rosh Hashana, TU Hillel hosted over 60 students and there was barely enough room to seat everyone.

(**Jewish Learning Fellowship, Israel Learning Fellowship, Catered Shabbat dinners, Matzah Ball Soup delivery, Challah for Hunger, Jewish Tiger Alumni Alliance events and more!)

Baltimore has a large vibrant Jewish Community accordingly; Towson Hillel needs to mirror that vibrancy for students who come to the Baltimore area to grow educationally and socially.

We are fortunate to be able to partner with The Associated Jewish Community Federation of Baltimore, in a five-year lease at Towson Commons to accommodate, grow and to provide our students with a warm, welcoming meeting place to learn and socialize

Centrally located in downtown Towson, the space is easily accessible by foot from campus and has the added benefit of off-street parking and full-time security.

It will provide • a full kitchen • a large multi-purpose room that can accommodate 100+ for meals, services, programs, game tables such as ping-pong and foosball • comfortable workspaces, chairs, and sofas • spaces perfect for studying or hanging out with friends • private offices for learning and Hillel planning meetings • a conference room for large educational seminars or meetings. **Help us meet our funding challenge!**

Help us reach our matching challenge of up to \$50,000 generously established by Becky Brenner and the Ronnie H. and Allie Russel Charitable foundation

Your investment in us is an investment in our students and alumni as they explore their relationship with Jewish traditions, family, memory, Israel, and community. Many, upon graduation will stay within the Baltimore area and become the next generation of leaders, donors and community members.

We can't do it without you!
